Re: Univision Radio Houston License Corporation
KLTN(FM), Houston, Texas
Facility Identification Number: 65310
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed February 17, 2009, on behalf of Univision Radio Houston License Corporation ("Univision"), for extension of the special temporary authority ("STA") granted on August 14, 2008, to operate Station KLTN with reduced power.¹

Our review indicates that, subsequent to the filing of the extension request, Univision restored full power operation and filed License Application BLH-20090715ALH, which is pending. Thus, STA is no longer necessary.

Accordingly, the request for STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer

¹ KLTN is licensed for operation on Channel 275C0 (102.9 MHz) with effective radiated power of 100 kilowatts (H&V) and antenna height above average terrain of 300 meters. Construction Permit BPH-20070914ACQ corrects the geographic coordinates of the site and authorizes installation of a new master antenna with a 1-meter increase in antenna height above ground.
